MEDICAL CHALLENGES
IN EXTREME AIR SPORTS & IN AVIATION

FIRST UAE CME-APPROVED
INTERNATIONAL SYMPOSIUM ON
AIR SPORT MEDICINE

03-05 December 2015

"Be Part of Aviation and Extreme Sports History"

First UAE International Symposium on AIR SPORT MEDICINE
MEDICAL CHALLENGES IN EXTREME AIR SPORTS & IN AVIATION

03-05 DECEMBER 2015

Under the Patronage of His Highness Sheikh Hamdan Bin Muhammad Bin Rashid Al Maktoum the Crown Prince of Dubai

The World Air Games, conducted under the rules of the Fédération Aéronautique Internationale (FAI), is the premier international multi-sports event fielding the world's top Air Sports Athletes. The FAI World Air Games 2015 has been awarded to the United Arab Emirates and will be held in Dubai.

The Medical Commission (CIMP) of the Fédération Aéronautique Internationale (FAI) and the Medical authorities of Dubai are pleased to announce the "First UAE International Symposium on Air Sport Medicine". This symposium is part of the official programme of the FAI World Air Games Dubai 2015.

The Aero Medical Symposium will present an innovative exchange of knowledge and expertise between medical doctors involved in aviation medicine with specific focus on Medical Challenges in Aviation and in Extreme Air Sports.

This multi-disciplined event will be organized by the Emirates Aero Sports Federation (EAF) and will take place from the 1st to 12th December 2015. Past editions of the World Air Games have taken place in Turkey (1997), Spain (2001) and Italy (2009). For more information please visit www.wagdubai.ae

The symposium will also be a platform for the communication of experience and research in medical aspects in aviation sports. It also offers a unique opportunity for a professional opinion exchange with aeromedical doctors of the Arabic World. Furthermore the FAI World Air Games Dubai 2015 provide an exceptional opportunity to interact with the World's leading aerial athletes and see air sport at its best in one of the most thrilling cities in the world.
