Meet The International Specialists In Aerospace Medicine And Human Performance

91st Annual Scientific Meeting

Aerospace Medical Association
The International Leader For Excellence In Aerospace Medicine

Sheraton Denver Downtown Hotel
Denver, Colorado

Exhibit Dates:
Sunday, August 29 – Tuesday, August 31, 2021

Meeting Dates:
August 29 – September 2, 2021
We want you to join us this August/September at the 91st Annual Scientific Meeting of the Aerospace Medical Association. At the 2019 meeting in Las Vegas, Nevada, the number of attendees was 1,643. We have a unique membership that no other professional medical organization can equal. Our members include Aerospace Medicine and Clinical Physicians, Aerospace Nurses, Physiologists, Human Performance and Human Factors experts, Aerospace Medicine

Physician Assistants, Public Health experts, Occupational Medicine physicians, Environmental Medicine experts, and a host of scientists engaged in aerospace medicine policies, operations, and research from around the world. You will have the opportunity to meet leaders, practitioners, and scientists from the FAA, NASA, the aerospace industry, the airlines, the Military Services, and consultants in the private sector. There will also be in attendance senior government, military, and airline medical personnel from over 70 countries. Approximately 25% of our members are from overseas. No matter where we come from or what we do, we are bound together by a common interest in the health and safety of all those who fly in air and space, crews and passengers, and of those who support aerospace organizations on the ground. Our Association has approximately 2,250 members providing an excellent target market for the purchase of equipment, supplies, pharmaceuticals and ancillary products. Listed below is a breakdown of the attendees at the 2019 Annual Meeting

Denver has historically been a good draw for the Association with its beautiful downtown area nestled in the majestic Rocky Mountains. The Sheraton Downtown Denver Hotel offersGreat Meeting Space where Registration, the General Sessions, and Break-out Rooms are located near the Exhibit Hall to ensure great traffic. We have seen the face-to-face meetings industry begin it’s comeback and are looking forward to returning with a strong AsMA Annual Meeting attendance to be joining us in August!

Besides the regular attendees, invitations will be extended to medical schools in the state.

The attendees at our Annual Meetings have a reputation of visiting the exhibit area in force each day. Listed below is a synopsis of typical exhibitor comments from the 2019 meeting. The results are nothing unusual as our companies traditionally rate the AsMA meeting very high in terms of registrants’ interest, quality, and expectations met.

Registrants Interest in Products/Services- 90% stated Excellent or Good.

Quality of Registrant Inquiries-90% stated Excellent or Good.

We will exhibit in Atlanta - 90% stated Yes, with an additional 15% in the decision making process.

AsMA leadership always encourages the registrants to visit the exhibits often. We have always considered the exhibit area an integral part of our scientific program in that there is much to be learned by talking to the company representatives and examining their products.

• All coffee breaks will be held in the exhibit area during dedicated program intermissions when no sessions are in progress, guaranteeing excellent traffic flow.
• Welcome Reception held in the exhibit area.
• Set-up is on Sunday, affording exhibitors savings on air fares if they arrive Saturday night.
• Exhibiting companies’ products, addresses, phone numbers, and generic emails are listed in the program giving registrants year round accessibility to exhibitors.
• All exhibitors will be listed on the AsMA website as they register.
• An exhibitor’s lounge will be located in the exhibit area with free coffee service where exhibitors can take breaks, or chat informally with customers.

Please join us in DENVER, COLORADO! You will certainly find it worthwhile because of the large attendance, the people you meet from the entire aerospace medicine community, the superb scientific sessions, and the attractions of the area itself. We will personally visit each exhibit throughout the week.

Sincerely,

Jeffrey Sventek, MS, CAsP
AsMA Executive Director

Kristofer S. Herlitz
Exhibits Manager
SPACE ASSIGNMENT
Priority in space assignment is earned on the basis of previous participation as an exhibitor since 1959; the number of advertising pages used in the Association’s official journal, Aerospace Medicine and Human Performance, in the previous year; Corporate and Sustaining Membership; General and Award Sponsorship; and active participation in the Association’s activities.

PRESENTATION OF PRODUCTS OR SERVICES
The purpose of AsMA’s exhibit program is to further the education of the registrants. The exhibits must be of an educational character, and emphasize instruments, pharmaceuticals, books, products or services for use in the registrants’ medical practice, teaching, or research. Sales are prohibited on the exhibit floor and other related convention areas during the meeting.

Sunday, August 29 10:30 a.m.-4:30 p.m. (all exhibitors must be set for the 6:30 p.m. Opening Reception held in the Exhibit Hall).

A labor crew will be available for the set-up and dismantling of exhibits in accordance with advance orders. Exhibitors are urged to order all services in advance. A complete set of service forms will be forwarded to each exhibiting company. All exhibit material must be unpacked by 4:30 p.m. as we must have time to set up for the 6:30 p.m. Opening Reception which will again be held in the Exhibit Hall in 2021! Any material not unpacked by this time will be ordered set up by Exhibit Management, with the cost charged to the Exhibitor, or will be placed in storage until the exhibits close on Monday, August 30.

PLEASE NOTE: Do not store anything of value in crates destined for storage.

CRATE STORAGE
Empty boxes, cartons, crates, etc. destined for storage must be removed from the exhibit area by 6:00 pm Empty stickers, which must be placed on all items destined for storage, will be available at the service desk. Containers not having empty stickers will be disposed of.

EXHIBIT HOURS AND DATES
Sunday, August 29 6:30 p.m.-8:30 p.m. - WELCOME RECEPTION!!!!!
Monday, August 30 9:30 a.m.-4:30 p.m.
Tuesday, August 31 9:30 a.m.-4:30 p.m.

As a courtesy to the registrants and your fellow exhibitors, AsMA requires strict adherence to the opening and closing hours. 24 hour security is provided, so exhibitors may feel free to take breaks as they see fit. Deliveries and removal of supplies and equipment must be made before or after exhibit hours. A pass must be obtained from the Exhibit Manager to remove any equipment, material, etc. once the exhibit area has opened on Sunday. Once the exhibits open on Tuesday morning, nothing may be removed from the exhibit area until the official closing time of 4:30pm, at which time no pass is required.

DISMANTLING OF EXHIBITS
Tuesday, August 31, 4:30pm-8:00pm
No packing of equipment, literature, booth contents, etc. or dismantling of any booth will be permitted until the official closing time of 4:30 pm. To avoid damage to your display, please remain with your exhibit until crates are returned and your material is packed.
