

PEPPERMILL RESORT HOTEL RENO, NEVADA

EXHIBIT DATES:

SUNDAY, MAY 22 - WEDNESDAY, MAY 25

MEETING DATES:

MAY 22 - 26, 2022

WELCOME

lease join us this May at the 92nd Annual Scientific Meeting of the Aerospace Medical Association. This year, we will be joined by our colleagues from the Undersea and Hyperbaric Medical Society. This joint meeting will offer a unique membership that no other professional medical organization can equal. Our members include Aerospace Medicine, Hyperbaric Medicine, Undersea Medicine, and Clinical Physicians, Aerospace Nurses, Physiologists, Human Performance and Human Factors experts, Aerospace Medicine Physician Assistants, Public Health experts, Occupational Medicine physicians, Environmental Medicine experts, and a host of scientists and technicians engaged in aerospace medicine, hyperbaric medicine, and undersea medicine policies, operations, and research from around the world. You will have the opportunity to meet leaders, practitioners, and scientists from the FAA, NASA, the aerospace industry, the airlines, the Military Services, and consultants in the private sector. There will also be in attendance senior government, military, and airline medical personnel from over 70 countries. Approximately 25% of our members are from overseas. No matter where we come from or what we do, we are bound together by a common interest in the health and safety of all those who fly in air and space, crews and passengers, and of those who support aerospace organizations on the ground. Our Association has approximately 2,250 members providing an excellent target market for the purchase of equipment, supplies, pharmaceuticals, and ancillary products. Listed below is a breakdown of the attendees at most recent live Annual Meeting

AsMA leadership always encourages the registrants to visit the exhibits often. We have always considered the exhibit area an integral part of our scientific program in that there is much to be learned by talking to the company representatives and examining their products.

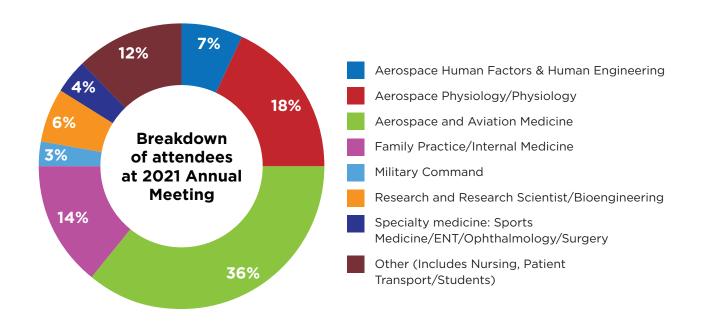

Please join us in Reno, Nevada! You will certainly find it worthwhile because of the large attendance, the people you meet from the entire aerospace medicine community, the superb scientific sessions, and the attractions of the area itself. We will personally visit each exhibit throughout the week.

Sincerely,

Jeffrey Sventek, MS, CAsP AsMA Executive Director **Kristofer S. Herlitz** Exhibits Manager

GUIDELINES FOR EXHIBITING

SPACE ASSIGNMENT

Priority in space assignment is earned on the basis of previous participation as an exhibitor since 1959; the number of advertising pages used in the Association's official journal, Aerospace Medicine and Human Performance, in the previous year; Corporate and Sustaining Membership; General and Award Sponsorship; and active participation in the Association's activities.

PRESENTATION OF PRODUCTS OR SERVICES

The purpose of AsMA's exhibit program is to further the education of the registrants. The exhibits must be of an educational character, and emphasize instruments, pharmaceuticals, books, products or services for use in the registrants' medical practice, teaching, or research. Sales are prohibited on the exhibit floor and other related convention areas during the meeting.

Sunday, May 22 10:30 a.m.-4:30 p.m. (all exhibitors must be set for the 6:30 p.m. Opening Reception held in the Exhibit Hall).

A labor crew will be available for the set-up and dismantling of exhibits in accordance with advance orders. Exhibitors are urged to order all services in advance. A complete set of service forms will be forwarded to each exhibiting company. All exhibit material must be unpacked by 4:30 p.m. as we must have time to set up for the 6:30 p.m. Opening Reception which will again be held in the Exhibit Hall in 2022! Any material not unpacked by this time will be ordered set up by Exhibit Management, with the cost charged to the Exhibitor, or will be placed in storage until the exhibits close on Wednesday, May 25.

PLEASE NOTE: Do not store anything of value in crates destined for storage.

CRATE STORAGE

Empty boxes, cartons, crates, etc. destined for storage must be removed from the exhibit area by 6:00 pm Empty stickers, which must be placed on all items destined for storage, will be available at the service desk. Containers not having empty stickers will be disposed of.

EXHIBIT HOURS AND DATES

Sunday, May 22 6:30 p.m.-8:30 p.m Reception Monday, May 23 9:30 a.m.-4:30 p.m. Tuesday, May 24 9:30 a.m.-4:30 p.m. Wednesday, May 25 9:30 am - 4:30 pm

As a courtesy to the registrants and your fellow exhibitors, AsMA requires strict adherence to the opening and closing hours. 24 hour security is provided, so exhibitors may feel free to take breaks as they see fit. Deliveries and removal of supplies and equipment must be made before or after

exhibit hours. A pass must be obtained from the Exhibit Manager to remove any equipment, material, etc. once the exhibit area has opened on Sunday. Once the exhibits open on Monday morning, nothing may be removed from the exhibit area until the official closing time of 4:30pm, at which time no pass is required.

DISMANTLING OF EXHIBITS

Wednesday, May 25, 4:30pm-8:00pm

No packing of equipment, literature, booth contents, etc. or dismantling of any booth will be permitted until the official closing time of 4:30 pm To avoid damage to your display, please remain with your exhibit until crates are returned and your material is packed.

BOOTH DESIGN AND USE OF EXHIBIT SPACE
