

MONDAY – May 6, 2024

10:30 (R) COURSE INTRODUCTION
DEANN KING

10:45 (R) AMCS JANA WEEMS

11:45 LUNCH

1:15 (R) MEDICAL PROGRAMS, POLICIES & STANDARDS
SUSAN NORTHRUP

2:15 BREAK

2:30 (R) AME OVERVIEW DEANN KING

3:30 (R) PSYCHIATRY/PILOT MENTAL HEALTH
DANIEL DANCZYK

4:30 (R) ADDICTION DANIEL DANCZYK

5:30 ADJOURNMENT

TUESDAY – May 7, 2024

08:00 (E) AME PERFORMANCE / DMS
DEANN KING
LEAH OLSON

09:00 (E) FAA DUI POLICY MATT DUMSTORF

10:00 BREAK

10:30 (R) OPHTHALMOLOGY
ALAN KOZARSKY

12:00 LUNCH

1:30 (R) NEUROLOGY
ROGER HESSELBROCK

2:30 BREAK

2:45 (R) OTORHINOLARYNGOLOGY
JASON SIGMON

3:45 BREAK

4:00 (R) CARDIOLOGY
WILFREDO RODRIGUEZ JIMENEZ

5:00 ADJOURNMENT

WEDNESDAY – May 8, 2024

8:00 (E) Panel: *Would You Fly with This Pilot?*
Moderator: Northrup
Participants J. Sigmon, R. Hesselbrock, A. Kozarsky, W. Rodriguez-Jimenez, D. Danczyk

9:30 BREAK

9:45 (R) MEDICAL LEGAL
JESSICA KABAZ-GOMEZ

10:45 (R) CERTIFICATION PROCESSES
MATT DUMSTORF

12:00 LUNCH

1:00 (F) CACI UPDATES GLENN DONNELLY

2:00 (E) MEDICATIONS COURTNEY SCOTT

2:45 BREAK

3:00 (F) MALIGNANCY COURTNEY SCOTT

4:00 (F) APNEA / FATIGUE JASON SIGMON

5:00 ADJOURNMENT

THURSDAY May 9, 2024

8:00 (F) APNEA / FATIGUE JASON SIGMON

9:00 (F) MALIGNANCY COURTNEY SCOTT

10:00 BREAK

10:15 (F) CACI UPDATES GLENN DONNELLY

11:15 ADJOURNMENT

For AME designation credit you must attend:

- ALL (R) – **REQUIRED** SESSIONS
- ONE EACH OF (F) – **FLEXIBLE** SESSIONS:
 - CACI UPDATES
 - SLEEP APNEA / FATIGUE
 - MALIGNANCY
- ONE (E) – **ELECTIVE** SESSION

CONTINUING MEDICAL EDUCATION

PROGRAM GOALS

Recognize the importance of the Aviation Medical Examiner's role in the overall goal of achieving aviation safety through improved application of aerospace medicine competencies.

Develop a clear understanding of how the AME and his/her staff work as a team with the Federal Aviation Administration to achieve aviation safety.

Recognize the importance of the medical certification process, the significance of providing quality aviation medical exams, and the need for correctly completing FAA Form 8500-8.

Develop a clear understanding of the medical certification process and familiarize the AME with his/her responsibilities in that process.

Familiarize the new AME with FAA medical standards, policies and procedures, and where to find this information in the Guide for Aviation Medical Examiners, Federal Aviation Regulation, Part 67, and other sources.

Provide the latest medical and technical information and clinical techniques in the various medical fields and specialties to assist and/or improve the proficiency of AME's in their regular practice.

Establish the AME as a local authority in aviation medicine and as a resource to assist medical colleagues in determining who may be able to fly safely as a patient or airman.

Improve the AME's knowledge, techniques and skills in medically evaluating airmen. This is accomplished by instructing AMEs in those medical specialties and behavioral sciences that will enable them to assess the pilot's ability to operate an aircraft with maximum mental and physical proficiency.

Recognize the basis for disqualification of an airman with a medical problem and the conditions necessitating deferral or denial as outlined in Federal Aviation Regulations.

Understand and be able to explain to an airman the denial process to include steps necessary for certification appeal rights.

Enable the AME to conduct a thorough clinical examination assuring that the airman meets the Medical Certification Standards for the class of airman medical certificate applied for.

CONTINUING MEDICAL EDUCATION

The Civil Aerospace Medical Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians

The AAFP has reviewed AME Refresher Training (AsMA) 2023 and deemed it acceptable for up to 19.00 Live AAFP Prescribed credits. Term of Approval is from 05/22/2023 to 05/25/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is approved for up to 19 credits of Category 1-A by the American Osteopathic Association.

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 credit(s)™ toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.

This CME activity was developed by the Aerospace Medical Education Division of the FAA Civil Aerospace Medical Institute using only congressionally appropriated funds, and without any type of commercial sponsorship (monetary or in kind).

All speakers participating in this CME activity are required to disclose to the audience any significant financial interest or other relationship they may have with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial medical services discussed in their educational presentations. Significant financial interests or other relationships can include (but are not limited to) being an employee, consultant, representative, stockholder, or receiving grants or research support from such a commercial company. The intent of this disclosure is to provide the audience with information to enable them to determine whether the speaker's interests or relationships may influence the presentation with regard to exposition or conclusion. The Aerospace Medical Education Division will not accept commercial support of any educational program.

It is the policy of the Aerospace Medical Education Division that the speaker discloses to the audience, if a product is not labeled for the use under discussion or that a product is still investigational.
