## Medical Guidelines for Airline Travel

### Immunizations and Malaria Prophylaxis

*Permission provided by the US Centers for Disease Control and Prevention (CDC)*

The Centers for Disease Control and Prevention (CDC) offers excellent medical guidelines immunizations and malaria prophylaxis on the CDC Travelers' Health website. The CDC Traveler's Health website offers medical recommendations for specific destinations around the world. Each destination has a traveler-focused page and a clinician-focused page.

**CDC Travelers' Health Recommendations** - These recommendations can be accessed at the [CDC Traveler's Health website](#).

**CDC Health Information for International Travel (Yellow Book)** - The Yellow Book is published every two years by CDC as a reference for those who advise international travelers about health risks. The Yellow Book is written primarily for health professionals, although others will find it useful. [Access the Yellow Book here](#).
